

The show is a benefit for the family of Junior Bechen, a dear friend from Iowa. Entry fee of five dollars and all proceeds will go to a college fund for the three children Junior left behind. Birdhouse kits will be available for sale at St. mark's Coffee House as well as prebuilt bird houses for those who are less crafty. This is a combined show between St. Marks Coffee House & the Thin Man Tavern.

We are planning to decorate the entire block with birdhouses in memory of the late Junior Bechen.

DEADLINE IS APRIL 20TH 2011
